LIGHTS OF DECEMBER

LIGHTS OF DECEMBER

LIGHTS OF DECEMBER

As children growing up, DECEMBER was a special time. Holidays, the end of exams + homework + school pressures, getting presents, setting up the Christmas tree (and all its lights), jumping on a bus to go carolling till the wee hours ... It was fun.

Growing up, the rose-tinted glasses come off. Work pressures don't take a holiday and December makes extra demands as we dive through Orchard Road buying gifts, picking up the party roast and getting Christmas tree replacement parts... In busy little Singapore, rushing all year round, we meet another December headlong exclaiming, "WAH, SO FAST ANOTHER CHRISTMAS!"

The "LIGHTS OF DECEMBER" is a product of LOVE from the 40 of us here at the AGGM Family. It is a collection of FAMILIAR FAVOURITES, some fun new songs and basically just the whole atmosphere here at AGGM this Christmas.

Amidst a backdrop of change and uncertainty in the world and the radio telling us that "sometimes love just ain't enough..." we would like to share with you that there IS a Christmas because LOVE CAME DOWN, and His Love IS enough.

Have a blessed and restful Christmas.

CHRISTMAS FAVOURITES MEDLEY

Music concept: Clement Chow/Joshua Wan

Lead Vocals: Audrey Hoi, Clement Chow,
Jasmine Liew, Joe Aaron

God rest ye merry gentlemen
let nothing you dismay
For Jesus Christ our Saviour
was born on Christmas day
To save us all from Satan's power
when we were gone astray

Oh tidings of comfort and joy
Comfort and joy
Oh tidings of comfort and joy.

City sidewalks, busy sidewalks,
dressed in holiday style
In the air there's a feeling of Christmas
Children laughing, people talking, giving
smile after smile
And on every street corner you'll hear

Noel, Noel, Noel
Born is the King of Israel

Do you hear what I hear (2x)

Come they told me pa nam pum pum pum
A new born King to see pa nam pum pum pum
The finest gifts to bring pa nam pum pum pum
To lay before the King pa nam pum pum pum
Rum pum pum pum, Rum pum pum pum

So to honour him pa nam pum pum pum
When we come

Away in a manger (7x)

O holy night the stars are brightly shining
It is the night of the dear Saviour's birth

Away in a manger (4x)

Away in a manger no crib for a bed
The little Lord Jesus laid down His sweet head
The stars in the bright sky looked down
where He lay
The little Lord Jesus asleep on the hay

Come and behold Him,
born the King of angels
O come let us adore Him(3x)
Christ the Lord

O night divine (2x)
Hark the herald angels sing
Glory to the new born King (2x)
And man will live forever more
Because of Christmas Day

SO FAST ANOTHER CHRISTMAS

Words and music: Clement Chow
Arr: Joshua Wan
Vocals: Clement Chow, Jasmine Liew,
Quak Li Huan

CHORUS
So fast another Christmas
Another Christmas comes so fast

Oh No! Not again
Another year has come and gone
So many things we've left undone
I guess our time is movin' on

No use lookin' back
Cause you could feel kinda scared
Everything's been movin' fast
You couldn't see it going past

(Chorus repeat)

Look at where we are
We've not come very far
Taking things too lightly
We end up seeing stars

No use lookin' back
Cause you could feel kinda scared
Everything's been movin' fast
You couldn't see it going past

(Chorus repeat)

We've got to learn to make
the most of our time

While it still lasts
We're growin' older hopefully wiser
Got to learn to stand the test of time...

LIGHTS OF DECEMBER

Words and music: Clement Chow
Arr: Joshua Wan
Lead Vocals: Clement Chow

The street lights are bright
The places are lit
People caught up in its glow

It's the time of the year
We'll bring you some cheer
Cause it's been a hard year, we know (2x)

Deep in December
We held hands together
Embracing a little romance
Sharing the love of Christ our saviour
Our hearts join the song and the dance (2x)

CHORUS:
The lights of December
We'll always remember
The warmth of the night and its glow
The lights of December
Let's share it together
The love we have come to know

What a wonderful sight
To a colourful night
But let us all never forget
That dark is the night
And there are people who cry
Just thinking that nobody cares (2x)

As we reflect, the message it brings
To our souls, there is peace within
The joy it brings

SOMEWHERE IN THE NIGHT SKY

Words: Edmund Tan, Music: Edmund Tan &
Eric Lee. Arr: Edmund Tan
Vocals: Wendy Chin

He takes the last train home
Christmas is the worst time alone
He sits in his easy chair
sits and stares but he's unaware

Somewhere in the night sky
a little star shines for him
And it's telling him that he's not alone
And somewhere in the night sky
watching over him

She thinks of her kids who've grown
Christmas is the worst time alone
faded pictures rocking chair
she sits and waits but she knows
they don't care

Somewhere in the night sky
a little star shines for her
And it's telling her that she's not alone
And somewhere in the night sky
watching over her

How can I forget that love's the reason
He came down to earth to be with me
Christmas should never be a lonely season
Cuz I have a friend to set me free

In a city full of people each day
In many eyes a loneliness betrays
Empty chair in a room for two
Little things still remind me of you

Somewhere in the night sky
a little star shines for me
And it's telling me that I'm not alone
And somewhere in the night sky
watching over me

somewhere in the night sky...

PARTY PARTY SPEND MORE MONEY

Words and music: Simon Peter Tan/Clement Chow,
Arr: Simon Peter Tan. Lead Vocals: Quak Li Huan.
Back-up: Audrey Hoi, Belinda Foo, Yvonne Low

CHORUS
Party party gonna spend all my money
Party party gonna spend all my money away (2x)

Everytime it's Christmas time
I walk the streets they look so fine
And all the shops show dollar signs
To me it really blows my mind

So many things and sales to see
So much more mediocrity
We have no choice, it's destiny?
We have to face reality

Repeat chorus and intro

Got to look good, got to look right
Party dresses gotta be tight
People dancing, people drinking
It really can be quite a sight

Drawing money, spending money
Drawing credit, it's not funny
Everybody does it, honey
I don't care, I don't worry ?!!

LOVE CAME DOWN

Words and music: Onesimus Principle
Chorus: Traditional Irish Hymn
Arr: Sydney Tan. Vocals: Onesimus Principle

People in this world
People running by so fast
Hard, heartless, looking to themselves
Not hearing one another cry

Seen enough heard their hearts break
Souls that feel the souls that ache
Searching, hoping, looking too
Some answers we can hold on to

Chorus Love came down at Christmas
Love all lovely love divine
Love was born at Christmas
Stas and angels gave the sign

Love no conditions
Love love is freedom
Love not just an emotion
Love not merely words in motion
Love you can't keep it in
Love gotta give it out
Love you'll always have enough
Love that's what love is all about

This Christmas time
Think about what you've been missing
Has Christmas for you lost it's meaning

Love shall be our token
Love be yours and love be mine
Love to God and all men
Love for plea and gift and sign

Silent night, holy night, All is calm, all is bright
Round yon virgin, mother and child

JOY RAP

Words and music: Onesimus Principle
Arr: Sydney Tan. Lead Vocals: Clement
Chow/Jasmine Liew/Joe Aaron

A long time ago in Bethlehem, The Holy Bible says
Mary's boy child Jesus Christ
Was born on Christmas Day (check it out)

Now this Jesus Christ He was a King you know
And the God who created this world
But He up left His throne for you and me
So you listen as the story is told

CHORUS Joy to the world
Singing joy to the world
Singing joy to the world

There was a star up high, It was a shining bright
Three kings coming down the road
And they were travelling fast and
they were travelling light
With myrrh, frankincense and gold
Well up on the hills were the sheeps
and the shepherds

They were snuggled up as warm as toast
And then the angels cried "Well, don't be uptight"
"We're bringing news from coast to coast"
(Hallelujah)

"There's a baby down there He's a special kid"
"You'll find Him in a manger below"
"He was born to save all the people, you and me"
"Boy! It was a sight to behold"

Now this story doesn't end,
because this Jesus grew up
And they nailed Him upon a tree
There's a mason for this which you don't wanna
miss

Cause' He did it to set us free
Now my brother and my sister
You hold the key to your future and your
destiny (right now)
You've gotta open up your heart and let my
Jesus in

Then you can rap along with me
