### **FANDI, MY HERO**

A Boy With A Lion's Heart Within,  
Who Beats The Odds While  
Runnin's Like The Wind,  
God's Gift To Play The Game,  
To Him It's All The Same,  
You Can Hear The Voices Call His Name,

Always With A Smile And Full Of Grace,  
Always At The Right Time And The Place  
No One Can Do So Much,  
He's Got That Magic Touch,  
You Can Hear The Children Call His Name,

\* Fandi, My Hero,  
We Love You And We Thought  
You'd Like To Know,  
Fandi My Hero,  
You Have Given Us A Role We Can Follow,  
A Friend, Who'll Sacrifice,  
A Legend, That Never Dies,  
We Love Your Ways  
And We Want To Tell You So.

Who Can Fill The Shoes  
You've Worn So Far,  
King Of The Lions, Roarin' Shooting Star,  
The Boy Inside The Man,  
You'll Do It All Again,  
When You Hear Them Echoing Your Name,  
(Repeat\*)

We Love You Fandi,  
And We Thought You'd Like To Know,  
We Love You Fandi (4x)  
Fandi: I Love You Too

To And Fro, On And On We Go,  
And The Lions, Roar Like Thunder,  
Loud And Clear, Throughout The Land,

Burnin' Bright, For All To See,  
And The Night Will Shine In Glory,  
As We Rise Up High Above,  
Fans Forever, Come Together,  
Thru' The Good Times And The Bad,  
There's A Place For Us In History,  
From Now Till Eternity.

### ENTER THE LION'S DEN

Facing The Wrath Of The Mighty,  
Standing In The Eye Of The Storm,  
Winds Of The Season Keeps Blowin',  
Don't Know Where It's Comin' From,  
Shadows Of The Past Are Arising,  
Knockin' At The Doors Of The Heart,  
Waiting, Still Anticipating,  
Can't Seem To Tell What's Ahead

\* When You Walk Thru' The Door,  
One Step Closer To The Fire,  
Fighting To Survive, Just To Stay Alive,  
When you walk thru' the door  
You'll Never Be The Same Again,  
When You Enter The Lion's Den,  
Hands Of Time Stood Still Forever,  
Seems Like Ten Thousand Long Years  
Searchin' To Find Some Old Weakness,  
Only To End Up In Tears,  
Strike Or Be Blown Away,  
There Is No Other Way,  
You Know You're Going Down,  
If You're Crazy To Stick Around.  
(Repeat \* x 2)

### ONE FOR ANOTHER

(The FAS Song)

We've Come So Far, Going Thru' Changing  
Times,  
Crossing New Horizons,  
In A World, We Can Call Our Own,

Now We Have Found,  
The Road To Brighter Days,  
We Are Friends Walking In The Highest  
Place,

You Pick Me Up When I Am Going Down,  
If I'm In Trouble, You Are There, You Are  
All Around,  
And You'll Know That I'll Do The Same For  
You

\* One For Another, We Will Stand,  
As One United Family,  
One For Another,  
We Will Always Be,  
There Forever, Together, You And Me,

A Time To Share, The Laughter And The  
Pain  
We Just Have To Do,  
The Best We Can To Keep Our Dreams  
Alive.  
Deep In Our Hearts, There Is A Joy In Us,  
When We Live For Today And Not The  
Past,

With The Spirit Of Harmony, We're Fighting  
For A Cause,  
When We Hold Our Heads Up High,  
We Can Feel A Sense Of Pride Inside,  
Flows Through You And Me.  
(Repeat \*)
