1. Thunder In A Drought

The piece is an adaptation from the Buddhist music "Triratna" by Yan Lao-Lie who is an expert on yang-qin. The re-arrangement has resulted in a fundamental change in the mood of the music. Hence it has been renamed "Thunder In A Drought". The music depicts the joy of the people when rain falls after a long drought.

2. Dawn In A mountain Village

This tune describes the beautiful morning scene in the countryside and at the same time praises the simple life of the hard working villagers.

3. Song Of The Shepherdess

This composition was adapted from the Mandarin film "Shao-Lin Temple". Set in a smooth,gentle tempo, it depicts the shepherdess looking after her sheep in the vast grass-land.

4. Venezuelan Dance

A plucked instrumental ensemble in moderate tempo. The dance revealed the passionate nature of the Venezuelan people and their love for dancing.

5. The Source Of Happiness

This is a local composition

It describes how our ancestors came to Singapore and how, through sheer hard work and sacrifice, built for us a land of happiness.

6. Beautiful Sceneries Of The South

This original composition describes the wonderful landscapes around Canton, commonly known to the Chinese as "The South".

7. Memory Of Hometown

Flute solo, accompanied by Orchestra.

This composition contrasts the hardship and bitterness of bygone days, and the prosperity and cheerfulness of the present.

8. Autumn Moon

In a picturesque and poetic manner, the music describes the different manners of the moon in Autumn.

At one time we could see it bright and shining, spreading its silvery moonlight all over the place; at another time it moves, and then it hides itself behind the cloud, leaving only a faint shadow in the sky.

9. Serenade From Don Giovanni

The music is from Act II of the comedy opera written by Mozart.

In the act, Don Giovanni sang the serenade to Elvira under her window.

The music is filled with strong feelings and heart-felt emotions.

10. Heartfelt Joy

Though its lively and beautiful melody, this composition expresses the sentiments of people in joy and happiness.

1. 早天雷
2. 山鄉晨曲

3. 牧羊曲
4. 委內瑞拉隊舞
5. 飲水思源
