Nur

Apa yang menceriakan bumi
Setiap hari setiap waktu pagi
Membuat wajah berseri

Bagaimana tumbuh tumbuhan
Terus segar didalam kehijauan
Didalam hutan dan taman

Nur.... Cahaya sakti

Ditengah kegelapan malam
Ketika bintang dilangit berkelip berkipan
indah seri Sang Rembulan

Ketika insan Realpaan
Ketika kejahatan menutup kesedaran
Siapa Petunjuk jalan

Nur.... Cahaya sakti

Nur adalah Ruza semesta jadi
Nur adalah asal asli rohani
Nur tercipta dari azali
Nur Nur Nur...

Merindu Kepastian

Andai kau menjadi pelangi
Biar ku jadi awannya
Agar kita selalu bersama

Andai kau menjadi Sang Dukung
Biar ku jadi karangnya
Agar kita sentiasa berusa

Andai kau menjadi merpati
Biar ku jadi Sang Bayu
Agar kita sering bertemu

Andai kau menjadi puisi
Biar ku jadi melodi
Bersama kita bernyanyi

Andai ku menjadi rembulan
Sudikah dikau menjadi Kejora
Hingga pagi nanti

Andai esok aku menjadi tanah
Sudikah engkau menjadi bunga
Menghiasi dadaku

Diantara musim yang berubah
Hanga musim cinta mu yang kudamba
Diantara ribuan Rata Rata
Hanga senyuman mu yang ku cinta

Kau yang tahu segala isi hati ku
Kau yang mengerti segala hasrat dihati
Kau yang tahu segala isi hati ku
Kau yang mengerti segala hasrat dihati

Hanga kau seorang yang mengerti ragam jua ku
Hanga kau seorang sahaja berada di galbu

Kau yang tahu segala isi hati ku

Warna Asmara*

Hijau warna sabar
Menanti dengan setia
Putih warna suci
Sesuci hati mu Raik

Kuning warna sakti
Meresap dalam rohani
Jika biru warna rindu
Asmara apa warna mu?

Asmara...
Merah, jingga, bagaikan darah
Mengalir resah ke seluruh jua

Hitam warna buta
Janji umpah setia
Ungu warna pilu
Bila ku tiada bersama mu

Kelabu warna ragu
Sering datang mengganggu
Jika biru warna rindu
Asmara apa warna mu?

Asmara
Merah, jingga, bagai darah
Mengalir resah ke seluruh jua

Belum Tiba Masa

Ingin ku capai
Tapi masih tak sampai
Ingin ku gapai masih terkapai Rapai
Ingin ku hurai
Tapi belum terterai
Mungkin belum tiba masa

Alak ku berlari

Kepuncak bekut yang tinggi
Lalu bersorak merata Raki langit
Mahu ku suling langa Rembang mewangi
Mungkin belum tiba masanya

Maish belum tiba masanya
Maish belum tiba masanya

Chorus:

Maish belum tiba masa
Maish belum sampai waktu
Maish bangak lagi yang harus dipertaku

Maish belum sampai ajal
Maish belum ada jodoh
Yang sudah harus pandai
Aduh! Masih lagi bodoh

Mungkin masih belum tiba masanya
Maish belum tiba masanya
Maish belum tiba masanya

Ingin ku bongkar sejuta macam rahasia
Ingin ku selongkar konspirasi durjana
Ingin ku bentang dengan hujah yang nyata
Mungkin belum tiba masanya
Maish belum tiba masanya
Maish belum tiba masanya

Yakin

Biar menitis asal tak putus
Kata ibu pada ku
Biar sedikit asal tak pupus
Biar perlahan jangan berhenti

Kehidupan ini hanya sekejap
Semua kan ku tinggalkan
Didalam pertumbuhan mengejar apa yang material
Jangan tinggal solat
Selamat dunia akhirat

Mungkin
Segalanya mungkin
Apa kan terjadi pasti terjadi
Yakin
Hati terus yakin
Dengan harapan
Pada ketentuan Tuhan

Tak bisa bertari aku berjalan
Tak bisa berjalan aku merangkak
Tak bisa merangkak aku mengesot
Perlahan lahan aku kan sampai jua

Kembali ini merasakan jahn
Dimanakah penghujungnja
Berat mata memandang
Berat lagi bahu memikul
Doa mu ibu azimat hati ku

Sindrom A minor

Ku tuisikan nota
Pada barisan bergaris lima
Ku dirir irama yang dapat melunakkan jiwa mu
Agar di kau dapat terus berduka

Ku seni kan kata
Diatas kertas putih dara
Puisi kan raga menjadi bunga sengsara
Agar dikau dapat menjilat luka

Didalam sepi ku
Aku sedar apa yang berlaku
Tapi tak bisa ku
Berbuat sesuatu
Kerana aku juga terperangkap
Didalam sindromi Am

Our House

I want to share my life with you
It's all I want to do
I want to share my life with you
It's all I want to do

I build this house for the two of us
Here we will spend the rest of our lives
The house isn't very big - enough for you, me and the kids

The walls are made of trust, compassion is the roof
The pillars are made of love between me and you
And each time when we love, the house just get stronger

I want to share my life with you
It's all I want to do
I want to share my life with you
It's all I want to do

Outside our little house therein a garden lies
Where stalks of hopes and dreams are kept alive
By the prayers that we say each day of our lives

Let the children sing let them play let them dance
Let their laughter echo through our days and our nights
Someday when they are old enough we'll teach them how to build a house
like our house

I want to share my life with you
It's all I want to do
I want to share my life with you
It's all I want to do

DiKala Pintu Langit Terbuka

Dikala hujan mencurah
DiKala pintu langit terbuka
Di saat itu Kau badahkan tangan dan berdoa

Dikala azan bergema
DiKala pintu langit bergegar
Di saat itu Kau badahkan tangan dan berdoa

Berdoa di saat Kau gelisah
Berdoa ketika hati mu resah
Berdoa dikala Kau derita
Berdoalah - semoga Kau sejahtera

Dikala insan berdoa
DiKala tabir langit dibuka
Di saat itu Kau rasakan Rahmat tuhan melimpah
