

## ABOUT YOUTH STATION

YOUTH STATION is the SYF Celebrations platform started in 2016 dedicated to showcasing students' original musical works. The sixteen songs were selected from over seventy song entries received from the SYF Songwriting Contest, held from October 2017 to February 2018.

The songwriters and performers of the sixteen selected songs were mentored prior to the recording sessions held between April and May 2018. The songs are also available at MusicSG (<http://eresources.nlb.gov.sg/music>), National Library's online resource for Singapore music.

## COVER ART:

*Hold the Vision, Trust the Journey*

Winner of the SYF 2018  
Logo Design Contest

*"The paper plane represents vision, while the bird represents realisation. Having a vision is the beginning of one's journey just like the paper plane which can only glide that far, but having realisation requires much thorough planning and lots of hard work to make everything happen."*
