

Title : Changes In Me

Composer : Muhammad Zaki Bin Masoh Di and Anand s/o Gopal

Lyricist : Muhammad Zaki Bin Masoh Di

Live for today, hope for tomorrow
Brush away all our sorrows
We will die, but how will we live
If tomorrows filled with sorrows

It's not length of life but depth of life
So let's all make it worthwhile
So shine a good deed in this weary world
Let's make our dreams unfold

Life is but an empty dream
And things are not what they seem
Live everyday as if it was your last
One of these days it will be

Life is like a beautiful melody
It's divine vi-tality
So many paths you can choose to take
It's just one step ahead

Woe to the man whose heart has never learned
While young, to hope, to love
Of this freedom that's been given to me

Life is but an empty dream
And things are not what they seem
Live everyday as if it was your last
One of these days it will be
Live everyday as if it was your last
One of these days it will be
Live everyday as if it was your last
One of these days I'll be free
