

Title : Mayflowerian Care

Composer : Mr Tay Hiang Soon

Lyricist : Ms Lo Shou Ming

Mayflowerian Care, Mayflowerians' Care
Smiling faces everywhere
Welcoming you, beckoning you
Come, let's discover our Mayflowerian fare

We value all, who enter our doors
Everyone is groomed, as Mayflowers bloom
A life enriched, one we can share
Truly shining, emblazoned Mayflowerian Care

We care for the total self, and find
A healthy body houses a healthy mind
We take care of others and our own affairs
Through words and deeds, that's Mayflowerian Care
