

**Title : Mayflowerian Care**

**Composer : Mr Tay Hiang Soon**

Mayflowerian Care, Mayflowerians' Care  
Smiling faces everywhere  
Welcoming you, beckoning you  
Come, let's discover our Mayflowerian fare

We value all, who enter our doors  
Everyone is groomed, as Mayflowers bloom  
A life enriched, one we can share  
Truly shining, emblazoned Mayflowerian Care

We care for the total self, and find  
A healthy body houses a healthy mind  
We take care of others and our own affairs  
Through words and deeds, that's Mayflowerian Care
