

Title : All That I Need

Composer : Corrine May

Lyricist :

I'm sorry that I've hurt you
I took for granted all you gave so freely to me
I pray it's not too late
To save me from a broken heart
To promise you I'll make a brand new start
Believe me when I say

(Chorus)

You are all that I need
The only treasure I see
You're the air that helps me breathe
Through the darkest nights
When I fall down on my knees
I was blind but now I see
You are all that I need

Though I'm far from perfect
Like a child that needs a guiding hand
Can you stay here with me
I finally understand
You've always been the missing part
Complete the jigsaw puzzle of my heart
Please hear me when I say

(Repeat Chorus)

(Bridge)

Please let me hear your voice again
Let me hear you say your love will never end
That whatever it takes you'll be there (Believe me when I say)

(Repeat Chorus)

You are all that I need.
