

Title : HEAR IT RING

Composer : Dixie L.R.Ferdinands

Lyricist : Dixie L.R.Ferdinands

Sleepless nights keep callin' on me, booze won't keep me under,
Since I lost them on the highway,
On a dark September mornin,' two years gone,

Kathy two and Michael four, with their mother Mary,
Keep on callin' all the time,
All night long, the telephone is ringin,'

Hear it ring, hear it ringin' all the time,
Hear it ring, when I pick it up, there's no one on the line,

It's all still in my mind, that dark September mornin, '
They were drivin' down the highway,
When from out of nowhere, a tree came crashin' down,

Hear it ring, hear it ringin' all the time,
Hear it ring, when I pick it up, there's no one on the line.

Oh still keep callin all the time,
Hear it ring, hear it ringin' all the time,
When I pick it up, there's no one on the line,

Still keep callin' all the time,
Hear it ring, when I pick it up, there's no one on the line,

Ah..... Ah....., hear it ring. Ah..... Ah..... hear it ring,
Ah..... Ah....., hear it ring. Ah..... Ah..... hear it ring,
