

**Title : Don't Cry No Tears**

**Composer : Mel Ferdinands**

**Lyricist : Mel Ferdinands**

Don't cry no tears around me  
Don't cry no tears around me  
Cause when all the water's gone  
Yeah the feeling lingers on  
Oh, true love ain't too hard to see  
So don't cry no tears around me

Well I wonder who's with me baby tonight  
(Oh you tell me)  
And I wonder who's holding her tight  
Oh but there's nothing I can say  
To make him go away  
Oh true love ain't too hard to see  
So don't cry no more tears around me

Oh don't cry no more tears around me  
Don't you cry, no tears, baby 'round me  
Cause when all the water's gone  
Yeah the feeling lingers on  
Oh true love ain't too hard to see  
So don't cry, no tears around me  
Don't cry no tears, baby 'round me  
Don't you cry, don't you cry  
No tears around me  
Yeah, yeah, yeah, yeah oooh
