**Lovely Paradise**

(可爱的小天地)

We all belong to a lovely paradise  
Here we are, you and me  
We all belong to a lovely paradise  
Each with a heart glowing with passion and warmth

In this lovely paradise  
Everyone is like a small flame  
Let each offer his flame of heart  
To make a dazzling torch

La...La...  
This lovely paradise is ours and ours alone  
We all belong to a lovely paradise  
May this beautiful land last forever!
