Wo ai wo de guo chia Xin Jia po  
Oh Singapura, tanah air ku

My dear friends  
Together we stand  
Defend our motherland  
Our future is in our hand  
Do the best that we can

Let us unite  
To do what is right  
Keep our goals insight  
We strive to live peacefully

We work together  
And love one another  
We will remember forever
