

**Title : Pleasant Song**

**Composer : Leon Lim / Adrian Loo**

**Lyricist : Leon Lim**

Love hate love hate, hurry hurry don't be late  
If I said 'I love you darling!', I sometimes could be lying  
'cause at times I just can't wait, yet I love you! You I hate!!  
'cause at times you just can't wait, yet you love me! Me you hate!

Come now, be mine now – you won't find a cow now  
...come later be a shoe, then you'd hear a definite moo!  
If you think I'm crazy, if you think my love's a tree  
Then you're very right now! then you're very ripe cow!!

Love love, hate hate, will you be my lovely date?  
I shall send you lots of flowers, fields for hours and for ours  
If you'd be my taste of joy, I will leave my other toys  
If you'd be my taste of sorrow, I'll come back again tomorrow...

Don't you know this thing is forever? Can we sleep now in peace together??  
Must we fight and shout and scream??? Can't we share a nice flower dream????  
I'd swim oceans I'd drown for you! I'd climb mountains I'd fall for you!!  
I'd swim oceans I drown for you!!! I'd climb mountains I fall for you!!!!

(punch punch kick kick, it is you that I always pick  
for a kick and to punch – how about dinner, how about lunch?  
Ah love! Ah hate!! What a very heavy crate!!!  
I'd carry for you, I'd carry with you, through and through and through

And though it's harder to love than blame  
I know you feel the same  
And I want you here with me  
And I want you here with me)
