

Title : Anything For You

Composer : Art Fazil / Blues Rakyat

Lyricist : Art Fazil / Blues Rakyat

Would you reach out when I call
Would you catch me if I fall
And if my smile turns into a frown
Would you be there to turn it upside down

Would you hold me if I'm chill
Would you nurse me when I'm ill
And if the world ever shut me out
Would you take me in without a doubt

Just like I would do anything for you
Just like I would do anything for you

For awhile as we journey through this life
You and I we can be each other's guide
And when I look into your face
If I could see the love and grace
Honey, I'd be O.K.

Would you keep me in your arms
like I would to keep you warm
Would you love me as much as you could
Like I would love you as much as I could

Just like I would do anything for you
Just like I would do anything for you
Just like I would do anything for you
Just like I would do anything for you
