

Title : To Mum, With Love

Composer : Abdolah Lamat

Lyricist : Changkat Primary School

I can hear your gentle voice
I can see into your loving eyes
Your smile ever so tenderly
Your love bring life to me

When I can't sleep at night
You help me overcome my fright
You will not leave me alone
'till I can sleep on my own

Chorus

Now, I'm sending a message to you
To say, that I will always love you
My words are sincere, oh my dear mother
I will keep and remember
Forever

I know, you will always be with me
Loved, wherever I may be
You're my shining star, you look so bright
Your love is deep in my heart
