Title: Anak Ku

Composer: Eddie Marzuki

**Lyricist: Latz and Martin** 

- Thinking of the past and all the things you said, Anak Ku you're the only one. My life was just for you
- 2) Faded photographs of all The times we shared Keep warm from these eastern winds. Until the end of time

XX Now you've gone away.
You said you needed time
To find yourself
Even though it's hurting me
I know its time for me to set you free

3) Anak Ku. My child.
We braved the monsoon rains.
On this land, we soiled our hands
All is empty inside now
You're gone

## **CHORUS**

Oh .... Anak Ku, all the joy & pain we've been through Oh .... Anak Ku, maybe soon one day, You'll be home to stay.

(Solo) - Repeat XX - CHORUS - (Solo) Fade out
