BEE

I know you think I'm immature and so naive
But I am not as innocent as you believe
Well, yes, as you can guess,

I'm still a mess where love's concerned
But isn't there a lesson you have yet to learn?

And I -
Just take life day to day
And I -
Can say that life's okay
I'm quite prepared to wait
For love to come my way

I know you think I'm not concerned with meeting guys
Believe you me, it's not as if I haven't tried
In town, they're all around
And when I've found someone who's cute
I turn into a block of wood, brain-dead and mute.

And so tonight there comes a guy who notices
And it may all be just a lie, it could be worse
So what? It's still a start
I'll give my heart a game to play
I may as well take all my chances anyway.

So I -

Pretend that it's all cool

I try -

To not look like a fool

And I -

Just take life day to day
And I -

Can say that life's okay
I'm quite prepared to wait
For love to come my way
