

Title : All Because Of You

Composer : Junainy & Maurice Lum

Lyricist : Maurice Lum

Teachers are sunlight
They are bright and pure
We cling on secure and tight
With barrier we endure

For they ignite the passion
To set challenges for us

Chorus

From seedlings to blooming flowers
Never ending love that showers
For we are coated with morning dew
This is all because of you

Nevertheless, we depart
Finding our mark far apart
For we have a vibrant and gracious tool
Mayflower an inviting school

Thinking learners are who we are
Thinking of you no matter how far
