YOU ONLY LIVE ONCE (YOLO!)

BY NATIONAL JUNIOR COLLEGE

*If you never try,
You'll never know,
What the future holds*

*If you have a dream,
Make it happen
Be the winner
Be the champion*

*Ignite that passion in your heart
Cast away all fears that may come
Do what it takes
To pursue your dreams
Just shout it out loud*

*You only live once
Ooo...
You only live once
Ooo...*

*Take a leap of faith
And don't look back
Live your life to the fullest*

*Just dare to dream
Make it happen
Don't let fear decide your future*

*Unveil your talent, passions, dreams
Hand in hand, let's strive to succeed
Don't ever lose hope, believe to achieve
Just shout it out loud*

*You only live once
Ooo...
You only live once
Ooo...*

*Rise higher, higher than the sky,
Dream deeper, deeper than the oceans
Be stronger, stronger to fight till the end*

*You only live once
Ooo...
You only live once
Ooo...*

You only live once.
