

Title : Mr. Beasley (Unplugged)

Composer : Corrinne May Ying Foo

Lyricist : Corrinne May Ying Foo

You don't have to drive a fancy car
Don't have to quote me Shakespeare just to woo me
Yeah I see your nervous laughter when you're trying to crack
some joke
Well, you don't fool me
I'd like to see your eyes through those goggles that you're wearing
Don't try to hide away

Just be yourself, Mr. Beasley
I don't need your show of attitude
Coz' it's your soul that makes me fall in love with you

You don't know this but I see you in the church when you are
praying
You just move me
And my friend Sue she tells me you've been teaching kids for free
Mr. Philanthropy
I'd like to see your eyes through those goggles that you're wearing
Don't try to hide away

Just be yourself, Mr, Beasley
I don't need your show of attitude
Coz' it's your soul that makes me fall in love with you
Be yourself, Mr. Beasley
I don't need your show of attitude
Coz' it's your soul that makes me fall in love with you

I'd like to see your eyes through those goggles that you're wearing
Don't try to hide away
