

Title : There'll Be A New You

Composer : Dick Lee

Lyricist : Dick Lee

ROSIE

Eh, you listen okay. Wan Choo
said Mummy wants us to help
this new girl. So I am only
doing my job. Are you going
to help or not?

DAISY

Help mai help lor! This type
not easy, you know!

ROSIE

Maybe you better listen to this well
What we know we seldom tell
Can't be found in any book
Change your look

LILY

Maybe you got to change the way you walk
And the baby way you talk
And the cutesy way you smile
Change your style

DAISY

Pout those PRETTY lips
Shake those LITTLE hips
If you do we promise when
We are through-oh-oh-oh

ROSIE, DAISY & LILY

There'll be a new you
Say bye-bye to the sweet and shy
Woah-oh-oh
There'll be a new you
Say hello to the big and bold
Woah-oh-oh
There'll be a new you

ROSIE, DAISY & LILY

Throw away your past
(bye-bye, bye-bye)
Smile and do your best
(hello-goodbye)

ROSIE, DAISY & LILY

Bye-bye to the shy
To the bold hello

LILY

Listen you better learn to play the game
We are one and all the same
Just don't step on any toes

DAISY

Especially those

ROSIE

Listen you throw away that little girl
Now you're in the grown up world
Buy yourself a bigger cup
And grow up

DAISY

Mince a little more
It shows you're from Johor
In a day or two just wait till
We're through-oh-oh-oh

ROSIE, DAISY & LILY

There'll be a new you
Say bye-bye to the sweet and shy
Woah-oh-oh There'll be a new you
Say hello to the big and bold
Woah-oh-oh There'll be a new you

ROSIE, DAISY & LILY

Throw away your past
(bye-bye, bye-bye)
Smile and do your best
(hello-goodbye)

ROSIE, DAISY & LILY

Bye-bye to the shy
To the bold hello

LILY

Ivy, you can wear this!

ROSIE

Lily, are you sure or not? That
one belongs to Miss...

ROSIE, DAISY & LILY

If you try you'll be
As wonderful as me
Beautiful and elegant and sweet
But from what we see
You may never be loveable enough to eat
But!
There'll be a new you
Say bye-bye to the sweet and shy
Woah-oh-oh
There'll be a new you
Say hello to the big and bold
Woah-oh-oh There'll be a new you

ROSIE, DAISY & LILY

Put your past to rest

IVY

bye-bye, bye-bye

ROSIE, DAISY & LILY

Smile and do your best

IVY

hello-goodbye

ROSIE, DAISY & LILY

Bye-bye to the shy
To the bold hello
Bye-bye to the shy
To the bold hello
Hello!
