

Title : Singapura

Composer : Van Moring

Lyricist : Dick Lee

*Singapura. Oh Singapura
Saya harap datang lagi
Singapura, Oh Singapura
Kapan saya mahu kembali

**Singapura, Oh Singapura
Sunny island set in the sea
Singapura, Oh Singapura
Pretty flowers bloom for you and me

Come along join the song in merry singing
Blend our voices, join in the chorus
Singapura, Oh Singapura
Pretty flowers bloom for you and me

Selalu dengar lagu-lagu
La la la la la la la
Selalu ingat kepada mu
La la la la la la la

(RAP)

I look around and I see a very nice city
Modern tower old houses so pretty
And then the place is safe
And then the place is clean
And what I want to say
Singapore is the place for me

repeat*

repeat**

Sunny island home to you and me.
