

Title : Youth of Gold

Composer : Famie Suliman

Lyricist : Famie Suliman

We are the Youth Of Gold
We got no fear and we got soul
We are the Youth Of Goal
There's so much of things we just wanna prove,
(Right Now!)

I've got a dream I believe
It's quite near and it's real
The energy I can feel
Cos' when I cross the line, the world they'll come with me.

We are the Youth Of Gold
We are the Youth Of Gold
We are the Youth Of Gold
We've got a common goal

We Are Youth Of Gold!
