To access Blinkist, you will need your [NLB myLibrary username](#).

A. How to access and get started with Blinkist from the Blinkist mobile app for first-time users

***Note:**

- Library members who are accessing Blinkist for the first time would have to create a Blinkist account to access the content.
- As Blinkist account can only be created on browsers, refer to **Section A** of the "Step by Step Guide for Desktop Users of Blinkist" for the steps to set up the Blinkist account, published under the "Help" section on NLB's eResources [website](#).
- A Blinkist account enables users to access Blinkist on the mobile app, and its features such as downloading content for offline use, and personalisation e.g. highlighting content etc.
- Login to the Blinkist app using the Blinkist account created. Refer to **Section B** of this document for the steps.

B. How to access Blinkist from the Blinkist app for repeat users

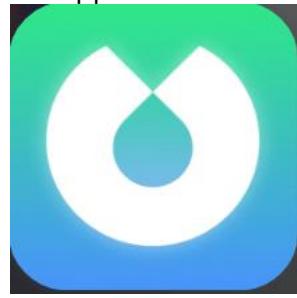

What do you need?

Mobile Device with Blinkist app installed
Any mobile devices with WiFi / data (e.g. 5G, 4G) connection.
Blinkist mobile app

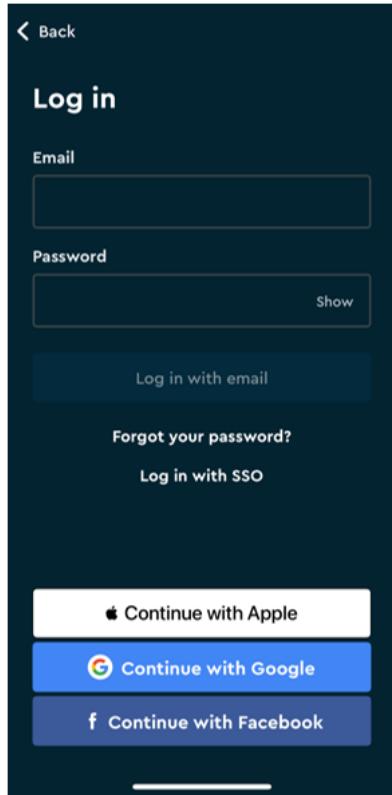

User Account
To access Blinkist, you will need your [NLB myLibrary username](#).
