

a little light music
with Wendy & Katryna

Flautist Wendy Low and Harpist Katryna Tan combine their talents to create this wonderful compilation of easy listening classic tunes to put their listeners in a nostalgic mood.

Wendy has previously released her own latin jazz CD entitled : "Busy Doing Something" featuring Wendy Low as well as being featured as a guest on albums by Jacky Cheung, Gigi Leung and the BdS Jazztet. She has performed in most of the major hotels like the Four Seasons, Hyatt, Conrad, Intercontinental, Regent, etc. as Flautist with her own quartet or trio or as a Pianist.

Katryna, an architect by training, took up the Harp whilst studying in Australia. She has performed as a guest with the Orchestras in Sydney and in Singapore with the SSO. She has also performed at the Shangri-la Hotel in Singapore and is presently pursuing musical studies in the USA.

It was a joy to work with both artistes as their producer and arranger and I believe you would enjoy the fruits of our labour.

Happy listening!
