OLIVIA

A Girl Meets Bossa Nova 2

So Nice

Composed By Marcus Valle.
Written By Norman Gimbel, Paulo Sergio Valle

Someone to hold me tight. That would be very nice. Someone to love me right. That would be very nice. Someone to understand. Each little dream in me. Someone to take my hand. And be a team with me

So nice, life would be so nice. If one day I'd find. Someone who would take my hand. And samba through life with me

Someone to sing to me. Stay with me right or wrong. Someone to sing to me. Some little samba song. Someone to take my heart. And give his heart to me. Someone who's ready to. Give love a start with me

Oh yes, that would be so nice. Shouldn't we, you and me? I can see it could be nice...

Someone to hold me tight. That would be very nice. Someone to love me right. That would be very nice. Someone to understand. Each little dream in me. Someone to take my hand. To be a team with me. So nice, life would be so nice. If one day I'd find. Someone who would take my hand. And samba through life with me

Someone to cling to me. Stay with me right or wrong. Someone to sing to me. Some little samba song. Someone to take my heart. And give his heart to me. Someone who's ready to. Give love a start with me. Oh yes, that would be so nice. Shouldn't we, you and me? I can see it could be nice...

Kiss of Life

Written And Composed Sade Aida, Paul Dennison, Andrew Hale, Stuart Matteson

There must have been an angel by my side. Something heavenly led me to you. Look at the sky. It's the color of love. There must have been

an angel by my side. Something heavenly came down from above. He led me to you. He led me to you. He built a bridge to your heart. All the way. How many tons of love inside. I can't say when I was led to you. I knew you were the one for me. I swear the whole world, could feel my heartbeat. When I lay eyes on you. As you say. You wrapped me up in The color of love. You gave me the kiss of life. Kiss of Life. You gave me the kiss that's like. The kiss of life. Wasn't it clear from the start. Look the sky is full of love. Yeah the sky is full of love.

You gave me the kiss of life. Kiss of Life. You gave me the kiss that's like. The kiss of life

You gave me the kiss of life. Kiss of Life. You gave me the kiss that's like. The kiss of life

You gave me the kiss of life. Kiss of Life You gave me the kiss that's like. The kiss of life

You wrapped me up in the color of love. Must have been an angel come down from above. Giving me love yeah. Giving me love yeah

Wave

Written And Composed By Antonio Carlos Jobim

So close your eyes. For that's a lovely way to be. Aware of things your heart alone was meant to see. The fundamental loneliness goes whenever two can dream a dream together

You can't deny don't try to fight the rising sea. Don't fight the moon, the stars above and don't fight me. The fundamental loneliness goes whenever two can dream a dream together

When I saw you first the time was half past three. When your eyes met mine it was eternity. By now we know the wave is on its way to be. Just catch that wave don't be afraid of loving me. The fundamental loneliness goes whenever two can dream a dream together

When I saw you first the time was half past three. When your eyes met mine it was eternity. By now we know the wave is on its way to be.

Just catch that wave don't be afraid of loving me. The fundamental loneliness goes whenever two can dream a dream together

L-O-V-E

Written And Composed
By Milt Gabler & Bert Kaempfert

L is for the way you look at me. O is for the only one I see. V is very, very extraordinary. E is even more than anyone that you adore

Love is all that I can give to you. Love is more than just a game for two. Two in love can make it. Take my heart and please don't break it. Love was made for me and you

Love is all that I can give to you. Love is more than just a game for two. Two in love can make it. Take my heart and please don't break it. Love was made for me and you. Love was made for me and you. Love was made for me and you

How Inensitive

Composed By Antonio Carlos Jobim.
Written By Vinícius De Moraes.
English Lyrics By Norman Gimbel

How insensitive... I must have seemed. When he told me that he loved me... How unweeded and cold... I must have seemed. When he told me so sincerely...

Why... He must have asked. Did I just turn and stare in icy silence? What was I to say... What can you do when a love affair is over?

Now, he's gone away. And I'm alone with a memory of his last look... Vague and dream and sad... I see it still. All his heartbreak in that last look...

How... He must have asked. Could I just turn and stare in icy silence? What was I to do... What can one do when a love affair is over?

What was I to do? What can I do? When a love affair is over?

One Note Samba

Composed By Antonio Carlos Jobim. Written By Newton Mendonça. English Lyrics Antonio Carlos Jobim

"This is just a little samba. Built upon a single note. Other notes are bound to follow. But the root is still that note. Now this new one is the consequence. Of the one we've just been through. As I'm bound to be the unavoidable consequence of you

There's so many people who can talk and talk and talk. And just say nothing. Or nearly nothing. I have used up all the scale I know. And at the end I've come to nothing. Or nearly nothing

*So I came back to my first note. As I must come back to you. Anyone who wants the whole show. Re mi fa sol la di do. He will find himself with no show. Better play the note you know. This is just a little samba. Built on one single note. Repeat **

Make It Mutual

*Lyrics By Olivia Ong.
Music - By GEE & Sarahi Hidaka (GTS)*

A quiet moment by myself on the beach. A sweet feeling that is swirling in me. It's delicious. Now that's a sugar rush. My heart is beating so so fast. And I hope I don't fall into deep to fast

There's no need to rush. We can take our time. Let it go the natural way. We begin as friends? And who knows what? Where this could be taking me

"In this nice cool breeze. Yes I am all at ease. When I gush. And this sweet feeling comes to me. Can't deny, can't lie, can't really face the truth. And I wonder if you're feeling the same way too

You know what I would like? I'd like to get to know you more. Make that mutual. Boy, you know you wanna know me too

This is how you feel. When you're here, I feel your vibe. And I hope I don't fall into deep too fast

*You're not the type. Who'll rush into things. And let it slip away. Yeah, I like your type. Caught up in this ride. It's kinda silly but I'll say
Repeat **

*** In this cool breeze. Yes I am all at ease. When I gush. And this sweet feeling comes to me. Can't deny, can't lie, can't really face the truth. And I wonder if you're feeling the same way too*

Driving

Written And Composed By Tracy Thorn And Ben Watt

Oh loverboy. To you I belong. Maybe one day you'll wake. And you'll find me gone. But loverboy, if you call me home. I'll come driving. I'll come driving fast as wheels can turn

Oh loverboy. I know you too well. And all of my lonely secrets. To you I tell. The highest of highs. The lowest of lows. I'll come driving. I'll come driving fast as wheels can turn. Stretching away as far as my eyes can see. Deserts and darkness, my hand on the wheel. Loverboy, please call me home. A girl can get lonely out here on the road

You see. Some days I find the old ways. Frighten me too easily. I leave my key and say. 'I'm too young'. Oh loverboy. If you call me home. I'll come driving. I'll come driving fast as wheels can turn

Fade Away

Lyrics By Olivia Ong. Music By Ryuichiro Yamaki

I just wanna say hello to you. But you're not lookin' my way. Like you trying to act cool... I think I lost my mind. Back there and then. Oh, how I let my feelings go

*You see, I know it's just a crush. And a crush won't ever last long. No one's forcing it, boy. So you, I'll put aside. Thought friends we would be. Oh, boy...
* Sadly you took my smile away. Every time you*

look my way. It fades away. I think it's best it stay this way. Every time you look my way. Yeah, it fades away

You just wanna say hello to me. Now the tables turn. I'm not lookin' your way

Don't get it wrong. Oh, it's twisted up. Alright let's make this story short

*You see, I know it's just a crush. And a crush won't ever last long. No one's forcing it, boy. So you, I'll put aside. Thought friends we would be. Oh, boy...
Repeat *X*

*Whoa... Why did it have to go down this way? I'll admit. I feel you when you are near. Maybe baby. We got it all wrong
Repeat *X*

I'll Move On

Lyrics By Olivia Ong. Music By SISK / PIVI

This road that I'm taking / Twists and turns. My life / my chance / turning dreams into reality.

Down this path / Faced with so many things. Sometimes I feel like giving up and turn away

Can't seem to go on. And I've been there' this before. Now where am I? Where do I stand? A little lost here. But I'll remember. All those times you've bought me thru. I'd be a fool to give up cuz' the goal is near

I'll move on. I'll go on. Lord I will take your hand. And you will guide me along. Survive thru' this storm. So I say, come what may. I'll hold on to my hope. Yes, I will walk down this road. And my passion drive will lead me on

Here I am/ Once again/ Caught in the rain / Looking back / I've come so far / And I want to carry on.

Take a step / A little time / It's alright. Even thru' this rain. I want to smile again

Don't hold back now. And I've been there' this before. Now where am I? Where do I stand? A little lost here. But I'll remember. All those times you've bought

me thru', I can feel the sun shining down on me

Here I am, Here I am, Lord I will take your hand,
And you will guide me along, Survive thru' this
storm, So I say, come what may, I'll hold on to my
hope, Yes, I will walk down this road, And my
piano drive will lead me on

Kiss Me

Composed By Matt Slocum, Written By Matt Slocum

Kiss me out of the bearded barley, Nightly, beside
the green, green grass, Swing, swing, swing the
spinning step, You wear those shoes and I will wear
that dress.

Oh, kiss me beneath the milky twilight, Lead me
out on the moonlit floor, Lift your open hand, Strike
up the band and make the fireflies dance, Silver
moon's sparkling, So kiss me.

Kiss me down by the broken tree house, Swing me
upon its banging tire, Bring, bring, bring your
flowered hat, We'll take the trail marked on your
father's map.

Oh, kiss me beneath the milky twilight, Lead me
out on the moonlit floor, Lift your open hand, Strike
up the band and make the fireflies dance, Silver
moon sparkling, So kiss me.

Sweet Memories

作詞 船本美・作曲 大村雅朗
原 動物園子

MIDI programmed by K.Kobuta

なつかしい痛みだわ ずっと前に忘れていた
でもあなたを見たとき 瞬間だけ後戻りしたの
「幸福草」と聞かなくて 寝つくのは上手じゃない
女だちならいるけど
あなたには悪えあがれなくて 失った夢だけが
美しく 見えるのは何故かしら
涙があった 嬉しさも 今は 甘い 悲愴

Sweet Memories

Don't kiss me baby we can never be,

So don't add more pain.

Please don't hurt me again.

I have spent so many nights, thinking of you longing for your touch.

I have once loved you so much

あの頃は君まで
慕愛に 傷つけあつた二人 色褪せた良しあし も、今は
深い記憶

Sweet Memories
