*Special Thanks to:*

God for giving me the talent for music, for making me a plumber/musician and for all blessings. My parents for their love and support. My lovely wife, Susila, and daughter, Shanmugapriya, for being the source of all my inspirations. All friends, fans and brothers for their fierce and unwavering support. Watch me "live" at Sunset Jive. No matter who you are or what you are, you've got to serve somebody. Serve God.

*Special Thanks to:*

Michael Avery for your musical feel and not to forget, the 6 o'clock mix. Danial and all staff of The Mastering Suite for pushing us and bringing this album to fruition. All friends and patrons of Patchez for supporting us. You deserve the best. Our families for their patience, love and belief in us.

Back Alley Productions is Gene Hon and Victor Seow, formed to express the musical gift and talent that we see in each and everyone of you.
