I would like to thank

God for helping me through these years. My parents for supporting me. Addy Rasidi for teaching me guitar. Joshua Tay for inspiring me to level up my guitar skills. Eugene for helping me to get cubase and with technical stuff. Clef and Evan for letting me use your studios for recording. Liu yu for helping me to play the violins. Ying ying for helping me to play the cello. Leonard and Bryant from Resonance audio for letting me use the studio to check my mix. John from Lion Studios for mastering. Yueming for giving opinion on my mix.

Matthew Lee - Guitars, drum programming, bass programming and keyboard programming.
