## ♣ CHANGES ♣

dedicated to a great dad, Micky Jeremiah Soh (1934 - 1993) *Music by Jeff & Dulcie, Lyrics by Dulcie*

● I picked up the pieces ● That you left behind ● Gone is the dawn ● Out comes the sun ● A new day's beginning ● Yesterday's gone ● Tomorrow's a mystery ● No battle yet won ● Sometimes it's better left alone ● Sometimes it's better left untold ● Some things were better before ● Some things not the same anymore ● Life's full of changes ● They say .....

Life's like a flower ● Fadin' with time ● Ticks by the hour ● Till the journey is done ● Left with a memory ● A glimpse of the past ● Just for a while ● I thought it would last ● Sometimes it's better not to know ● Sometimes it's better not to show ● Some things were better before ● Some things not the same anymore ● Well life's full of changes ● They say .....

Life's full of blunder ● Betrayal and lies ● Regret's not the answer ● For the strong will survive ● Sometimes it's better left unread ● Sometimes it's better left unsaid ● Some things were better before ● Some things not the same anymore ● Well life's full of changes ● They say .....

Yeah life's full of changes ● They say .....

Change as they say ● Change as they say.....
