I would like to thank all the musicians who appear on this CD, for their continuous efforts in sharing their talents and musicality with me. You're the best guys, I couldn't have done it without you. Also to MYX Studios (Singapore) for their musical ears, to Sabian Cymbals for their excellent taste in cymbal making, to the National Arts Council (Singapore) for their support in Jazz music but most of all Blair's Bunch wishes to thank everyone for letting us share our music with you.
