SIDE A**HUNGRY HEART**

Searching for a pot of gold
 At the end of the rainbow
 I'm tired of looking
 I'm tired of searching
 Where do I go from here
 Or should I take a new Road
 Where will it lead me
 Where will it go

Looking for something to satisfy my soul
 I found the answer to the emptiness in my heart

Chorus:

He open my eyes
 He show me the way
 I found what I'm looking for
 He satisfy my hungry heart
 He open my eyes
 He show me the way (His words light my way)
 I found what I'm looking for
 He satisfy my hungry heart
 He satisfy my hungry heart
 He satisfy my hungry heart

I CAN'T MAKE IT ON MY OWN

You're the reason things have changed inside of me
 You're the reason that I've changed
 Cause' the love you gave to me
 When I find it hard to stand alone
 You came unselfishly
 Standing right beside me
 You let me know you're near me
 Enfolds me with your love
 Don't let me go

Chorus:

You're my light
 You're my friend
 You're a shelter in the rain
 It's cold outside on an empty night
 I can't make it on my own
 You're my light
 You're my friend
 You're a shelter in the rain
 I never want to leave you
 I always want to love you
 I can't make it on my own

THE GREAT I AM

One day I was looking for some peace to be found
 And so I went into the world
 I took all I could get only found emptiness
 I knew there must something more in life

One day I heard about a man called Jesus
 I asked myself who is this man
 He said I am the one who died for everyone
 That they might have life more abundantly

Chorus:

The Lord said I am the great I am to Thee
 The Lord said I am the great I am
 The alpha and omega the beginning and the end
 The Lord said I am the great I am

When I was weak He was my strength
 When I was lost He took me in
 Whatever's your need He is there to meet
 He is truly the great I am

HOLD ON

The wind just keep on blowing
 The battle keeps on raging
 There's pain I bear
 When I feel in despair
 But I keep on pressing on

Under His mighty hand
 I'll reach the promised land
 Stand up and fight again
 Fight on to the end (repeat chorus)

SIDE B**MY FRIEND**

People they can be lonely and so sad
 And I saw I was lonely just like them
 I am looking for someone that
 I could call and talk to
 Someone who would care
 Someone who would care

You came to extend your hands of love
 And I found you accept me just the same
 I found a friend in you that
 I could trust and lean on
 In times when I was lost
 In times when I was lonely

Chorus:

Never turning back
 Never turning back
 From you my friend
 Never turning back
 Never turning back from you
 Cause you're my friend

PRAISE SONG

I will sing a song of praise to Jesus everyday
 I will sing a song of praise to Jesus when I pray
 When I think of all that He means to me
 When I think of all that He has done
 I will sing a song of praise to Jesus everyday

Chorus:

I've been longing for every moment to praise you
 I've been longing for every moment to be free
 I've been longing for every moment to praise you
 I've been longing for every moment to be free

ONLY YOU

You put a lot of love in my heart
 You gave me a new life to start
 You gave me new meaning
 To start a new living
 A life that's no longer mine

(repeat chorus)

Bridge:

Why don't you put
 Your life right in his hands
 You'll get His peace
 And His loving care
 You'll never know
 Till you give Him a chance
 He'll put your life together again

(repeat chorus)

KEEP WALKING

There are times in your life
 When you feel it's hard to survive
 There'll be tears in your eyes
 And you lost the will to survive
 Don't get discouraged you can make it too
 Be everything that you want to be

Chorus:

Keep walking on with the Lord
 Keep walking on you'll make it too

When the road is uphill
 Things go wrong as they sometimes will
 Don't give up don't you quit
 Must get up and stand on your feet
 Don't get discouraged you can make it too
 Be everything that you want to be
 (repeat chorus)
