Everyday thousands of young women and children around the world are **illegally trafficked for sexual exploitation**. South East Asia, including **Singapore**, is one of the hotspots.

It's high time we take a collective stand and **SOUND OUT** against this systematic exploitation, abuse, and cruelty.

We would like to **HUGELY** thank the following for making this CD possible:
All the brilliantly talented and generous contributing bands and performers — you rock!

TBWA / Tequila Singapore
Songzu Sydney
The Body Shop STOP campaign
