Sometimes When We Touch

Artist: Dan Hill

Composer: Dan Hill

You ask me if I love you
And I choke on my reply
I'd rather hurt you honestly
Than mislead you with a lie
And who am I to judge you
On what you say or do?
I'm only just beginning to see the
real you

And sometimes when we touch
The honesty's too much
And I have to close my eyes and
hide
I wanna hold you til I die
Til we both break down and cry
I wanna hold you till the fear in me
subsides

Romance and all its strategy
Leaves me battling with my pride
But through the insecurity
Some tenderness survives
I'm just another writer
Still trapped within my truth
A hesitant prize fighter
Still trapped within my youth

And sometimes when we touch
The honesty's too much
And I have to close my eyes and
hide
I wanna hold you til I die
Til we both break down and cry
I wanna hold you till the fear in me
subsides

At times I'd like to break you
And drive you to your knees
At times I'd like to break through
And hold you endlessly

At times I understand you
And I know how hard you've tried
I've watched while love
commands you

And I've watched love pass you by
At times I think we're drifters
Still searching for a friend
A brother or a sister
But then the passion flares again

And sometimes when we touch
The honesty's too much
And I have to close my eyes and
hide
I wanna hold you til I die
Til we both break down and cry
I wanna hold you till the fear in me
subsides

Love Fool

(feat. Adam Lazzara of Taking Back Sunday)

Dear, I fear we're facing a problem
You love me no longer, I know
And maybe there is nothing
That I can do to make you do

Mama tells me I shouldn't bother
That I ought just stick to another
girl
A girl that surely deserves me
But I think you do

So I cry, I pray, and I beg

Love me, love me
Say that you love me
Fool, fool me
Go on and fool me
Love me, love me
Pretend that you love me
Leave me, leave me
Just say that you need me

So I cry, and I beg for you to

Love me, love me
Say that you love me
Leave me, leave me
Just say that you need me
I can't care about anything but you

Lately I have desperately pondered
Spent my nights awake an I
wonder
What I could have done in another
way
To make you stay

Reason will not lead to solution
I will end up lost in confusion
I don't care if you really care
As long as you don't go

So I cry, I pray, and I beg

Love me, love me
Say that you love me
Fool, fool me
Go on and fool me
Love me, love me
Pretend that you love me
Leave me, leave me
Just say that you need me

So I cry, and I beg for you to

Love me, love me
Say that you love me
Leave me, leave me
Just say that you need me
I can't care about anything but you
(anything but you)

Love me, love me
Fool, fool me
Love me, love me
I can't care about anything but you

Kiss Of Life

Written and Composed by Sade
Adu, Paul Denman, Andrew Hale,
Stuart Matthewman

There must have been an angel by
my side
Something heavenly led me to you
Look at the sky
It's the color of love
There must have been an angel by

my side
Something heavenly came down
from above
He led me to you
He led me to you
He built a bridge to your heart
All the way
How many tons of love inside
I can't say

When I was led to you
I knew you were the one for me
I swear the whole world could feel
my heartbeat
When I lay eyes on you
Ay ay ay
You wrapped me up in
The color of love

You gave me the kiss of life
Kiss of Life
You gave me the kiss that's like
The kiss of life

Wasn't it clear from the start
Look the sky is full of love
Yeah the sky is full of love
He built a bridge to your heart
All the way
How many tons of love inside
I can't say

You gave me the kiss of life
Kiss of Life
You gave me the kiss that's like
The kiss of life

You gave me the kiss of life
Kiss of Life
You gave me the kiss that's like
The kiss of life

You gave me the kiss of life
Kiss of Life
You gave me the kiss that's like
The kiss of life

You wrapped me up in the color of
love

Must have been an angel come
down from above
Giving me love yeah
Giving me love yeah

You gave me the kiss of life
Kiss of Life
You gave me the kiss of life
The kiss of life

For Your Babies

Artist: Simply Red
Composer: HUCKNALL MICHAEL
JAMES

You've got that look again
The one I hoped I had when I was
a lad

Your face is just beaming
Your smile got me boasting, my
pulse roller-coastering
Anyway the four winds that blow
They're gonna send me sailing
home to you
Or I'll fly with the force of a
rainbow

The dream of gold will be waiting
in your eyes
You know I'd do most anything
you want
Hey I try to give you everything
you need
I can see that it gets to you.

I don't believe in may things
But in you I do

Her faith is amazing
The pain that she goes through
contained in the hope for you
Your whole world has changed
The years spent before seem more
cloudy than blue
In many ways your baby's
controlling
When you haven't laid down for
days

For the poor no time to be
thinking
They're too busy finding ways
You know I'd do most anything
you want
Hey I try to give you everything
you need
I'll see that it gets to you
I don't believe in many things
But in you I do

You know I'd do most anything
you want
Everyday I try to give you
everything you need
We'll always be there for you
I don't believe in many things
But in you I do

Fly Me To The Moon

Fly me to the moon
Let me sing among those stars
Let me see what spring is like
On jupiter and mars

In other words, hold my hand
In other words, baby kiss me

Fill my heart with song
Let me sing for ever more
You are all I long for
All I worship and adore

In other words, please be true
In other words, I love you

True Colors

Artist: Cyndi Lauper
Composer: Kelly, Tom/Billy
Steinberg

You with the sad eyes

Don't be discouraged
Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
And the darkness, inside you
Can make you feel so small

But I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful.
Like a rainbow

Show me a smile then,
Don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful.
Like a rainbow

[intro part]

So sad eyes
Discouraged now
Realize

When this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

And I'll see your true colors
Shining through
I see your true colors
And that's why I love you

So don't be afraid to let them show
Your true colors
True colors, true colors

Cos there's a shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors, true colors
True colors are beautiful,
Beautiful, like a rainbow

I'll Move On

Lyrics by Olivia Ong.
Music by SISK/VIVI

This road that I'm taking/ Twists
and Turns.
My Life/ My Chance/ turning
dreams into reality,

Down this path/ Faced with so
many things.
Sometimes I feel like giving up and
turn away

Can't seem to go on. And I've been
thru' this before.
Now where am I? Where do I
stand? A Little Lost here.
But I'll remember, All those times
you've brought me thru'.
I'd be a fool to give up cos' the goal
is near.

I'll move on, I'll go on, Lord I will
take your hand, And you will guide
me along,
Survive thru' this storm. So I say,
come what may, I'll hold on to my
hope.
Yes, I will walk down this road. And
my passion drive will lead me on.

Here I am/ Once again/ Caught in
the rain. Looking back/ I've come
so far/ And
I want to carry on.

Take a step/ A Little Time/ It's
alright. Even thru' this rain, I want
to smile again.

Don't hold back now. And I've
been thru' this before.
Now where am I? Where do I
stand? A Little lost here.
But I'll remember. All those times
you've bought me thru'.
I can find feel the sun shining
down on me.

Here I am, Here I am, Lord I will
take your hand.
And you will guide me along.
Surviving thru' this storm.
So I say, come what may, I'll hold
on to my hope.
Yes, I will walk down this road. And
my passion drive will lead me on.
