Thank You.

I would like to thank all those who helped make this album a reality, especially James Liang for his creative photography, Daniel and Jason for Wendy's picture perfect look, Mee Din for her creative input, Claire Jean for her superb graphic design of the cover, Sanip, Syed and Victor for their creative musical talents and help and Kenny for his great guitar tracks.

Special Thanks to Wendy for her musical creativity and tireless efforts and not forgetting HIM without whom none of this would have been possible.
