1 > | If we ever meet again (Instrumental)

2 > | If we ever meet again

Singer: Michelle Soh | Lyric & Song: Zoe

Walking down the street, feeling in a mess
Lost in the crowd for your face
your voice and your touch

Never believe love had gone
Faith kept me going on
Trust you still be there for me
Lead me all the way

I know I shouldn't cry alone
You never knew why
Cause love hurt me so much, so deep
If we ever meet again
would you be mind and be here with me

Many years have gone by
I didn't hear from you
wondering where to meet you
show you that I love you

Time had changed so much
I couldn't recognise
but not the love that I had for you
my thoughts and my heart

3 > | Love is beautiful

Singer: Pay Gan | Lyric & Song: Zoe

Love is so sweet and so beautiful
had made my life worthwhile
come joy to the nature let's pray for love
please come into my life

Cause love is so patient and love so kind
like a rainbow hanging high in the sky
purple breeze and flowers bloom
it's all because of you

Now I could understand
why lovers die for each other
cause love never dies, never dies
my love is so sweet and so beautiful
our love will never end *

Singer: Samantha Ng Lyric & Song: Zoe

The night has come get ready for the big move
Get on your feet and don't stand there a fool

Twirl and turn can make a lot of difference
Shake all your blues when there's no one to care

Swinging, Swing to the left or right
I see you here and everywhere with beautiful style
Turning, Turning up and down it's just a way
to make you wild and cool

6 > | Going Home for Christmas

Singer: Fly Gan Lyric & Song: Zoe

Christmas is a joyous time
Our hearts are filled with warmth
Christmas trees and truffle doves
Here and everywhere, brings us joy and peace

Candles, carols in the wind
Seems to light up our lives
Praise the lord that he has come
Just for you and me, to give love

Christmas is the best time of the year
Park your bag and leave all troubles behind
Head for home and soon you'll find
Home is where Christmas should be

7 > | Do you remember

Singer: Max Gan Lyric & Song: Zoe

Not a sound is being heard
Ever since that day you gone
Trying hard to search for you
But nothing could be done
I knew you have flown away
With no words to leave
but just only say good bye

Do you remember the days we spent together, my love
Do you remember the time we stroll on the beach
when the sunsets
Winter has past and summer has come but no
words from you again
Do you still want to come back once more with me
I'll be waiting for you ...

8 > | Children of the world

Singer: Rey Gan | Lyric & Song: Zoe

Through the years we learn and grow,
Strive to be the best we can be,
Perseverance in us

Aim for goals that we have set,
Give life our very best,
Fly above the rest.

Children of the world, singing all along,
show them that we could make it
No matter what it takes us

9 > | How long

Singer: Rey Gan | Lyric & Song: Zoe

Sowing the seeds of an apple tree,
Watching it grows every single night,
Praying hard counting one two three,
I long for a bite.

Many days have passed by,
Not a fruit to be seen so far,
Wondering why I'm feeling bad,
Oh where my apples are.

** How long do I have to wait for the apple tree to grow,
Oh how long do I have to wait,
Oh how long does it have to take,
And mother has this word to say,
Be patient my little girl,
The time will come one day,
Oh how long do I have to wait,
Why does it have to take so long,
Again she smile to me and said,
Everything takes time.

10 > | 想你

词曲: 祖意 | 主唱: 黄春为

细雨纷飞 冷风狂吹 想起了你我的从前
雪花飘飘 结成冰霜 呼唤我对你的思念
回忆象一瞬间 放不下你的容颜
愿一切能停止再转变

等待着与你相见 感觉你存在的喜悦
盼望你在我身边 听你呼吸 看你笑脸
期待着与你相约 你却在世界的另一边
烛光已快要熄灭 唯有梦里我俩再缠绵
