A PLACE IN MY HEART

Sing Singapore 2003

A PLACE IN MY HEART

Theme song for Sing Singapore 2003

Music & Lyrics: Kevin Quah
Performed by Sean Wong

Verse 1:

It doesn't matter where I come from
It doesn't matter what I do
It doesn't matter what I believe in
It doesn't matter how tough it may be

Bridge:

It only matters We've come through together
Closer with every page we turn
It only matters We could make it better
Reaching out to the sky

Chorus:

You will always have A Place in My Heart
You will always be the Spark
Every smile we share Every tear we've shed
There's nothing we can't overcome

You will always have A Place in My Heart
You will always be the Spark
If I'm lost and weary I'm not worried
I know You will always be there...with open arms

Verse 2:

I'll always treasure those happy moments
I can remember all the songs
It doesn't matter I'm ordinary
It doesn't matter how different we are

Repeat Bridge & Chorus

Music & Lyrics: Dick Lee
Performed by Stefanie Sun Yanzi

Remember the days, we set out together with faith?
Remember the times, so fine, when we thought that
Nothing could stand in our way?

Then things weren't the same, the life that
we knew had to change
We've struggled through, the darkest storms
We thought we couldn't tame

Together we've tried, as we stood side by side
I knew we'd build a new world
A world of hope for ever after.

Chorus:

Deep in my heart I just know,
Right from the start, we will grow
Look where we are, we've come so far
And there's still a long, long way to go.

With all of my heart, I will care
I'll play my part, I will share
With family and friends, together we'll stand
And in the end, hand in hand
We will get there

So now we begin, working together to win
Believing in trust, it must
Be possible to overcome anything.

There's so much to do, there's so much we can contribute
By sharing just a little love
We will start again

So why don't we try? If we stand side by side
I know we'll build a new world
A world of hope for ever after.

(Repeat Chorus)

We Will Get There

Music & Lyrics: Tanya Chua
Performed by Tanya Chua

Where I Belong

Morning comes around and I
Can't wait to see my sunny island
In its glorious greenery, whether rain or shine, it's still beautiful
Bright lights shine on the streets at night
Guiding me closer to home
To a place where I'll be safe and warm, where I belong

Friends and families by my side
Seeing me through as I grow and learn
Everyday's experience, bitter sweet or sour
They're still wonderful
As they become precious memories
They'll be kept close to my heart
And no matter where I am I will always know, where I belong

Chorus:
Where I belong, where I keep my heart and soul
Where dreams come true for us
Where we walk together hand in hand towards a future
so bright
Where I belong, where I keep my heart and soul
Where we're one big family
I want the whole world to know, I want to shout it out loud
That this is where I know I belong

Music & Lyrics: Jim Lim
Performed by Jai

The moment when I was born
Into this world, into my home
I recall when I was young
Stars and crescent shine on me

In my heart lies my homeland
I share this joy with my families and friends
Let our strength build on and on
Reaching out to the world

Chorus:
Stars and crescent shine on me
Make us more than what we can be
All our dreams come true
As we all grow stronger

Stars and crescent shine on me
Turning our hopes, into reality
For we will always be
Shining as one

Let our hopes lead us afar
Into the world, to be the best
There's so much to reach out for
Stars and crescent shining on

In my heart lies my homeland
I share this joy with my families and friends
Stepping out into a new world
As we make our choices

(Repeat Chorus)

Shine On Me

Music & Lyrics: Ken Lim
Performed by Evelyn Tan & Dreamz FM

Together

Let us be together aspire to achieve
No matter what, no matter when, working hand in hand
Let us go the distance, reach for goals that shine
Creating our future, with everyone in mind

Chorus:

Together we make a difference, one voice, one destiny
We remain undivided, our hearts in harmony
Together we make a difference, our friends, our families
We will share a special dream
Together we feel the Singapore heartbeat

Let us find in our strides, new strength to go on by
Nothing is ever easy, we have to hold on and strive
Let us never be afraid, if we have to change our ways
Through the years, we'll always stay, one in every way

(Chorus X 2)

We will share a special dream
Together we feel the Singapore heartbeat
Singapore heartbeat

Music & Lyrics: Dick Lee
Performed by Kit Chan

Whenever I am feeling low
I look around me and I know
There's a place that will stay within me
Wherever I may choose to go
I will always recall the city
Know every street and shore
Sail down the river which brings us life
Winding through my Singapore

Chorus:
This is home truly, where I know I must be
Where my dreams wait for me, where that river always flows
This is home surely, as my senses tell me
This is where I won't be alone, for this is where I know
it's home

When there are troubles to go through
We'll find a way to start anew
There is comfort in the knowledge
That home's about its people too
So we'll build our dreams together
Just like we've done before
Just like the river which brings us life
There'll always be Singapore

(Chorus X 2)

For this is where I know it's home
For this is where I know I'm home

Singapura Tercinta

Kini tiba masa
Hari yang bersejarah
Bersatu kita menuju hala
Laluan yang sama
Mencapai kegemilangan
Lambang negara yang kaya
Kemakmuran
Kedamaian

Warna kita sama
Bulan bintang putih merah
Berpada adil bahagia
Majukanlah negara
Mengharungi kepayahan
Lambang citra bangsa
Yang penuh pedoman
Harga kejayaan

Chorus:
Sambutlah sahtullah
Majukan negara di persada dunia
Sambutlah seru semua
Majulah Singapura yang tercipta

Sanjung kedaulatan
Junjungi kepimpinan
Maruah negara tidak
akan dipertaruhkan
Kamilah warganegara
Berikrar untuk membina Singapura
Bersemangat waja

Repeat Chorus

Kita telah pelajari
Bukan mudah bangkit bersama
Gagah gigih dan berani
Kini kita telah berjaya

(Chorus x2)
