Headlite is a sonic journey capturing a night out at *En Lounge* spanning the genres of House, Breaks, Electro and Big Beats. *Headlite* is a celebration of *En Lounge* since its inception and is a reflection of an era.

En Lounge provides a luxurious pad imbibed with a great house music vibe. *En Lounge* exudes warmth and intimacy providing an extensive selection of beverages and food for a sophisticated crowd to indulge in.

En means "circle" or "fate" in Japanese. This is reflected through the alfresco wine bar to the main bar encompassing an intimate dance area which envelopes a "circle of gathering", creating the perfect setting for guests to enjoy the sonic experience of *En Lounge*.

Among the luminaries who have graced the decks at *En Lounge* are Bert Bevans of Studio 54 New York, JZ of Red Melon Records San Francisco, K-Klass United Kingdom, Scott Langley United Kingdom, Soma of Grow Sound Japan, through to DJ Small and RY of Singapore. *En Lounge* has hosted many events including the Sushi Party for the prestigious Elite Model Look International 2003 as well as MTV parties.

Headlite is intimate, warm and luxurious, just like *En Lounge*. As *En Lounge* moves through its sonic journey and an exciting future, *Headlite* will remind you of *En Lounge's* past and how *En Lounge* will continue to grow. So sit back, chill with a bottle of SubZero and soak in the *En Lounge* experience.
