SIDE A

HOMEWARD I GO

1. Soon the time will come for me to meet my loving Jesus
How I long for that very hour!
And He'll take me in His loving arms and I will thank Him
For His kindness, love and His power
2. Music flowing, angels singing, everlasting wonder
Honey dripping, silver and gold
More than earthly words and phrases I can use to utter
Majesty as never been told

Chorus: Homeward I go, I want to be close to my Lord
Homeward I go
Seeking His face, love and adore
Homeward I go, I want to be close to my Lord
Homeward I go
Seeking His face, love and adore
Praising my Lord
Moving along Heaven Highway, rollin' on

(Repeat 2)
(Repeat Chorus)

Come and let Him take your hand
To His bright, eternal land
Heaven Highway's beautiful end

(Repeat Chorus)

Homeward I go, I want to be close to my Lord
Homeward I go seeking His face, love and adore
(Repeat and fade)

It is my yearning to see Christ one day. It is my deepest wish to meet God in person and what excites me the most is this marvellous first encounter when I do meet Him. It will be more than words can describe; one has got to believe to see.

— Desmond Moey

LORD, IF EVER I GET SO DOWN

Lord, if ever I get so down
I know that You'll be around
Giving me comfort, love and peace
And Lord, if ever I lose my way
I know You'll beside me stay
Leading me, guiding me back to my home
Never to be on my own

Someone who means so much to me
Someone who gives me melody

Lord, if ever I hurt someone
I'm sorry for what I've done
Forgive me and teach me to love everyday
And Lord, if ever I turn so cold
You warm up my heart, my soul
Lifting me, setting my spirit aglow
Your love in my heart overflows

My Lord, You mean so much to me
Oh Lord, You give me melody
Someone who keeps me warm, someone I know
My heart is always His home

Lord, if ever I get so down
I know that You'll be around
I know that You'll be around

Lord, You're ever around
won't let me down, I know that
(Repeat and fade)

I think human beings face difficulties, feel sadness, and fight tough battles as they live life. Yet the difference is what God makes in a christian — he feels and knows that God is always around him to keep him going despite the great obstacles he may face. Looking back, I see how in both obvious and subtle ways God comforted me, encouraged me. And each time I feel down, I'm sure He'll be there to pick me up.

— Desmond Moey

ROCK 'N' ROLL SINNER

Hey, you must be crazy
When you run in circles all the time
Day by day you've been trying to break
Those illusions in your mind
Yes, you can be lonely
Even though you're in a crowd
Don't be surprised when you suddenly find
That silence is all around

Chorus: (Listen to me now)
Rock 'n' roll sinner, don't be afraid
I've got news for you
You can escape from the devil's chains
Here's what you've got to do
You've got to go down hard on your knees
Lay your burdens at Calvary
You will feel alright
He will make you whole
That's Jesus, Rock of my soul

Hey, you can be so strong
On the outside all the time
But He can see that behind your mask
You're nothing but a fool inside
Yes, you can be so right
Even though you know you're wrong
Don't be surprised when you suddenly find
That the bottom is not the top

(Repeat Chorus)

One of the most pervasive influence in pop music today is the genre of rock music. Characteristically, rock has been identified with the language and emotions of anger, frustration and rebellion of young people today.

But there is a Rock who is solid and powerful enough to destroy the negatives of life when one encounters it. The Bible names this Rock as Jesus. This song uses the language of rock 'n' roll to invite our generation of youths to turn to THE ROCK of the Bible, "a Rock that doesn't roll" and let Him make empty and broken lives complete and whole again.

— Peter Khor

RESPONSE

Name: _____

Address: _____

Tel: _____

Age: _____ Sex: _____

Tick where applicable:

- Your songs are full of assurance. I would like to talk to you.
- I want to know more about Jesus Christ.

- I have questions to ask. Please reply.
*They are: _____
- Please pray for me and keep in touch with me.
*My requests are: _____

*Please reply on additional paper to this response slip.

SIDE B

MAYBE I'M NAIVE

Maybe I'm naive, maybe I don't know much
 Maybe you think I'm a fool just to trust
 I may look foolish thinking that God can do
 Everything great men on earth dare not to

Chorus: My Lord, my Saviour
 My Life, my Redeemer
 My Lord, my Master, I just pray
 Pray to simply trust and obey

Maybe I'm simple, maybe I don't think much
 But you know somehow my trust is enough
 To bring me through rough times, bring me through all
 my strife,
 Trusting Him, soothing my hurt when I cry

(Repeat Chorus twice)

Maybe I'm naive, maybe I trust too much
 Maybe that's what life is just all about
 Well, perhaps someday when you know Jesus Christ
 He will make trusting the difference in life

(Repeat Chorus)

Maybe I'm naive, maybe I'm naive
 Frankly, I'd rather be naive

A strange title to a song isn't it? Yet to me it's the way
 lookers-on see my position as a christian. Sometimes it all
 comes down to plain trust. God works with our desire and
 ability to trust Him and He enriches the believer's life through
 answering our calls as He sees fit. All this seemingly
 "irrational" behaviour can only be understood when one
 comes to know Christ personally.

— Desmond Moey

LIVE IN THE LIGHT

From the darkness of our mother's womb
 we came into this world
 And the sound that breaks all mystery
 has now become unfurled
 We're never meant for captivity
 even from the start
 When all the forces on this earth
 were pulling us apart

Chorus: Live in the Light, believe in the truth
 Be free from the darkness that surrounds us
 Live in the Light escape from the other side
 Live in the Light, believe in the truth
 Before we are trapped and turned into dust
 Live in the Light escape from the other side

The coloured glow that says "Hello!"
 to everyone who pass
 With empty words it promises
 to take you to the stars
 But decline and fall will be the fate
 of those unaware and blind
 To the lurking dangers of the night
 that lay in wait behind

(Repeat Chorus)

We can know where we are going
 We can see our destination
 Each day will be a new beginning
 For those who live in the Light

(Repeat Chorus)

Jesus said, "I am the Light of the world. Whoever follows
 me will never walk in darkness, but will have the Light of Life."
 Believing in Jesus Christ frees us from the darkness of sin and
 brings us into the glorious light of God.

This song "Live in the Light" is a challenge to escape from
 that darkness and live in God's Light.

— Tonni Wei

THE POTTER AND THE CLAY

You are the Potter I'm the clay
 You made me in Your special way
 Your hands have made me and have fashioned me
 To the praise of Your glory

Chorus: And I will shine, yes, I'll shine
 In the image of the Lord I was made
 For I know that I'm God's handiwork of life
 Created by the Master Potter's loving hands

Yes, You're the Potter, I'm the clay
 You love me in Your special way
 Break me, mould me any way You may wish
 To the praise of Your glory

(Repeat Chorus)

Though I may not know why You made me so
 Why You made me feel the way I do
 All I know is You have made me part of who You really are
 What a glorious thing to know that I am Yours

(Repeat Chorus)

I will shine, yes I'll shine
 In the image of the Lord I was made
 And I will shine, yes I'll shine for Him
 Created by the Master Potter's loving hands

"The Potter and the Clay" was one of the first songs that
 arose from the need to sing songs from within my personal
 experiences.

As the Holy Spirit counselled me on one of my more difficult
 days — difficult in terms of accepting myself for who I really
 am in every way — I began to see how precious it is to be
 made in His image. It is so magnificent and marvellous to think
 that each of us is made to reflect Him, yet at the same time we
 seem to retain our very intricate individualities! Perhaps we will
 learn greater truths about this as we grow closer to Him.

— Chua Hui Ling

Dear listener

We hope you have enjoyed these six songs on our very
 first tape. Too many people today have misconceptions
 about christianity. Through this tape, we hope we have
 thrown some light on some of the many facets of a
 christian's life with Jesus Christ.

The Bible tells us that "God so loved the world that He
 gave His only Son that whoever believes in Him shall not
 perish but have everlasting life". Jesus is the Saviour who
 died on the cross to pay the penalty for the sins of the
 world. But Jesus is also our true friend, who knows and
 meets our every needs. It is every christian's yearning to
 meet and reign with our God, "the Master Potter" one day.

We invite you to open your heart to Jesus. Pray this
 prayer right now:

"Lord Jesus, I accept You as my Saviour and Lord. I
 accept what You have done on the cross. I know that I
 have sinned against You. I want to follow You now.
 Thank You for coming into my life. AMEN".
