# Let's Have Fun

Composer Tony Hoon, Music Arranger Indra Ismail

Come on and shake your hands, come on and dance  
Don't be afraid, just leave your worries all behind  
Come on shake your hands, come on up and dance  
The sun will shine tomorrow, take it one step at a time

It's time to let your hair down  
It's time to dance around  
Forget about your sorrows, we'll never let you down  
So bring yourself on over, we promise you some fun  
Leave your worries behind, this is the time  
Learn to laugh at yourself  
Boom... Boom... Boom... Boom...

Come on and shake your hands, come on and dance  
Don't be afraid, just leave your worries all behind  
Come on shake your hands, come on up and dance  
The sun will shine tomorrow, take it one step at a time  
Boom... Boom... Boom... Boom...

# I'll Be There For You

Lyrics by The Rembrandts, Adapted by Jimmy Ye for Kinnar

So no one told you  
NS gonna be this way  
Your hair's a joke  
You're broke  
Your buddy looks so gay!

It's like you're always  
stuck in army gear  
And when it hasn't been your day  
Your week  
Your month  
or even your year, but...

Chorus  
I'll be there for you  
Though you're blur like sotong  
Gua si li peng you  
Si beh idle, some more  
Kau la kawan ku  
Keng and bo-chap is cool!

You're stuck inside your trench  
You're just mosquito bait  
You've burned 3 weekends so far  
Guard duty's not so great!

Your corporal warned you  
There'd be days like these  
But he doesn't tell you when  
You'll be set free  
and ROD, but...

No one could like BMT  
Don't want to IPPT  
Seems you're the only one who knows  
to keng and get MC  
Someone to drop twenty with  
Make it to MDC with  
Someone to kiwi boots with  
Even at my worst, I'm best with you, yeah!

I'll be there for you  
Gua si li peng you  
Kua la kawan ku  
Cos you're there for me too!

# If You Only Have a Dream

Composer Tony Hoon  
Music Arranger Eduardo Ramos

Where do we go from here?  
Does everything have to change?  
Must I play this number?  
Cause nothing stays the same

Promises meant to be broken  
It doesn't mean a thing  
Where would I go, what do I see  
If you haven't got a dream

Hold on to what you believe  
It's the last thing, you wanna lose  
There'll be a better tomorrow  
You only have to choose

Friends may come and go  
They don't seem to share  
Have you thought for a moment  
That I need somebody to care

Tell me what's right or wrong  
I'll tell you, you must be strong  
Listen to your heart, it'll tell you where to start  
If you only have a dream

Hold on to what you believe  
It's the last thing, you wanna lose  
There'll be a better tomorrow  
You only have to choose

Listen to my song  
I've learned this lesson well  
Nothing ever comes easy  
But I've hung in there to tell

Tell me what's right or wrong  
I'll tell you, you must be strong  
Listen to your heart, it'll tell you where to start  
If you only have a dream

Hold on to your dream  
It's the last thing, you wanna lose  
There'll be a better tomorrow  
You only have to choose

You only have to choose

# Your Place

Composer Lin Yu-Beng, Music Arranger Indra Ismail

Make your own space  
Run your own race  
Set your own pace  
Welcome to your place!

Reach your own dreams  
On your own steam  
That's the place we all hope we can find!

What's the point of denying the fact?  
Everybody is different, that's that  
If you live to be everyone's fool  
In the end what becomes of you?

Better stick to what you know you do well  
Better stay with the people who will tell you  
If you're trying to be something you're not  
Showing everybody something  
you haven't got!

Reach your own dreams  
On your own steam  
That's the place we all hope we can find!

Make your own space  
Run your own race  
Set your own pace  
Welcome to your place!

Reach your own dreams  
On your own steam  
That's the place we all hope we can find!

Make your own space  
Run your own race  
Set your own pace  
Welcome to your place!

In your own place it's OK if you cry  
Nothing wrong if you are low or you get high  
But that's the place where  
you can be your dream  
But nothing ever comes easy as it seems

Reach your own dreams (fight)  
On your own steam (fight)  
That's the place we all hope to find!

Make your own space (fight)  
Run your own race (fight)  
Set your own pace (fight)  
Welcome to your place!

Reach your own dreams  
On your own steam  
That's the place we all hope to find!

Make your own space  
Run your own race  
Set your own pace  
Welcome to your place!

"Truisms come in many forms, and 'Kumarisms' are some of the funniest I've ever heard. I hope you enjoy them as much as I did."

*Oridia*

"I'm not sure whether to be exhilarated or intimidated - Kumar is more man than me and more woman than me at the same time... but I loved working on this show!"

*Yu-Beng*

"Kumar definitely knows how to live life cleverly, in a funny way."

*Leena*

"I say to all of you. If you want to know the real Kumar, you got to look beyond the sequins, look beyond the feathers."

*Shuko*

"Kumar is like a mother to me. I would say he gave birth to me in the performing world..."

*Junie*

"But then he came and stood there with us, and he said it takes a lot of courage to stand on stage. So don't laugh at us..."

*Ezan*

"One thing I would like everybody to know about Kumar is that he is a nice guy. And that is not just on the surface."
