Feel the roove

Forget about your 9 to 5
We've got the rhythm can you catch the vibe
Move your feet it's time to get on down
Tonight's the night for us to hit the town

I'm here to party
It's time to move your body
And I just wanna ... uh uh ooh
Get up & feel the groove

Send your body rockin' droppin'
There's no need for stoppin'
Shakin' breakin' ain't no hesitatin'
I just wanna move
I know you feel it too
Get up & feel the groove

Now you got it going down
(Can't fake it, you really gotta shake it)
I like the way you dig this funky sound
(Don't lose it, I like the way you use it)
Come up close this beat will lead the way
(Just do it, know you wanna move it)
Cuz you know this groove is here to stay

I'm here to party
It's time to move your body
And I just wanna ... uh uh ooh
Get up & feel the groove

Send your body rockin' droppin'
There's no need for stoppin'
Shakin' breakin' ain't no hesitatin'
I just wanna move
I know you feel it too
Get up & feel the groove

I'm in the mood, I know you feel it too
Slide over here next to me
Alone in this place, come into my space
So baby let's feel the groove

Send your body rockin' droppin'
There's no need for stoppin'
Shakin' breakin' ain't no hesitatin'
I just wanna move
I know you feel it too
Get up & feel the groove
