## SINGAPORE SERENDIPITY

How does one capture a memory?  
Can one preserve it eternally?

A breeze

A moment

And beauty...in everything you see.

How does one capture a memory?  
Can one be charmed by simplicity?

A face

A smile

A friend...in everyone you see.

A street

A temple of gold

Tree by a park green

A gaze

A chat

A nod

Pam pa dam

Such simple things, you can't ignore  
when strolling around Singapore

A face

A smile

A friend...in everyone you see.

How does one capture a memory?  
Can one be charmed by simplicity?

A face

A smile

A friend...in everyone you see.

A street  
A temple of gold  
Tree by a park green

A gaze  
A chat  
A nod  
Pam'pa dam

Such simple things, you can't ignore  
when strolling around Singapore

A face  
A smile  
A friend...in everyone you see.

How does one capture a memory?  
Can one preserve it eternally?

A breeze  
A moment  
And beauty...in everything you see.

A door, you've never seen  
Inviting you to come in  
A place, you've never been  
So won't you come on in?

How does one capture a memory?  
Can one be charmed by simplicity?

A face  
A smile  
A friend...in everyone you see...in  
everyone you see (fade)
