CHAMPIONS SINGAPORE

Come on hear the lions roar,
We have made it all the way,
Celebrate our victory,
We're the Champions Singapore,

All The Die Hard Fans of Singapore,
We dedicate to you,
As we raise our hands in Glory,
We do it all for you,

Ole Ole Ole Ole,
Singapore the Champions,
Ole Ole Ole Ole,
Singapore the Champions.

Featuring The FAS Soccer Team

THANK YOU

It's a lonely road we travel,
True friends are hard to find,
Everybody wants to share the laughter,
So long as things are fine,

Well, are you there when I need you,
Will you catch me if I fall,
Together we can have the glory,
Right thru' it all, we say,

Thank you,
We Say Thank you,
For all that you have done,
Thank you,
We want to thank you,
To the Die Hard Fans,
You're number one,

Careless words, they can hurt you,
It will take time to mend,
Forget the past cos' we are brothers,
Right to the end, we say.

Featuring Selvaraj & The FAS Soccer Team

Ole, Ole, Ole,
Go, Go, Go, Lions Go,
