HEARTHROB (3:23) ♡

Lyrics & Music: Brian Colaco

I can't sleep when I think about you
You're so sex instrumental in all the things you do
It's like a time bomb made to explode
I'm not mistaken no I'm never wrong

You're like a love train knock me off my rails
You're so damn tempera-mental typical of a male but still I want
I want to get with you grab the wheel babe take me with you

*You make my heart throb when I think about you
You make my love sing (sing a funky tune)
You make my heart throb when I think about you
I wanna do all the naughty things with you

You give love a love without touch
At times ooh it really gets too much
I'm on fire ooh..... I need you now
You're wasting time baby get to me somehow

Let me get it on let me get it on
With round two I'm down to do all the things that a lover gonna do
To win your heart your heart and mine
Lay your heart on the line

Speak upon it and I heard it through the grapevine
I too wanna go the long mile

With a runner like you to make the run worthwhile
Slip between sheets dim the lights low
Slip on a slow tape and let the funk flow

I wanna do all the naughty things with you
I want it I want it I want it

TO BEGIN AGAIN (4:31) ☆

Lyrics: Wendi Koh

Music: Wendi Koh & Ed Romoso

I believe in the chance of a lifetime
Tried my best to get it right
Understood the means to an end
Working hard for respect
Sometimes circumstances
bring you down
Unspoken rules hold you to the wall
Prejudice can enslave your world
Even though you are giving your all

* It feels like the world's closing in
Seems like you're chasing some
silly dream
Justice in the face of men
I want the right to begin again
To begin again.....

I believe in the chance of a lifetime
Tried my best to get it right
Ooh.....prejudice can enslave
your world
Even though you are giving
your all

° Time has been my greatest enemy
I've suffered shame for all to see
Oh but never will I say never
Cos' if I could live forever
I will carry on forever and ever.....

Ooh.....it feels like
the world's closing in
It seems like I've been chasing
some silly dream
You want justice in the
face of men
I need.....I need the right
to begin again

* It feels like my world's
closing in
Seems like I'm chasing
some silly dream
I want justice in the
face of men
I need the right to
begin again
I need to begin again
to begin again
I will begin again

CAN'T STAND THE PAIN (3:21) ⊕

Lyrics: Phil May & Dick Taylor

Music: Bobby Graham

* I just can't stand the pain of letting you walk away
I just can't stand the pain
I just can't stand the pain of letting you walk away
I just can't stand the pain

I can't hold back what I feel inside
My smile is only a thin disguise
I think about the times we had
You and me together
I can't imagine not seeing you forever

Now here I am sad and all alone
I'm just waiting for the ring of the phone
The clock on the wall lets the minutes pass me by
I can't face the night I guess I'll have to try
After all the times that we've been through together
We can make it work our love can last forever

Oh.....oh.....I.....
I just can't stand the pain of letting you walk away
No I can't take the pain no more.....
I just can't stand the pain of letting you walk away
I just can't stand the pain
Baby baby yeah.....
No no no no.....

哭泣的游戏 (3:23) ⊗

词：陈佳明

曲：Geoff Stephens

什么让你我沉迷
这哭泣的游戏
扑溯迷离
如此遇见你
是谁亲吻谁 都不后悔
只是不解 相爱到再见
能在转瞬间

世间男女都无法躲避
这哭泣的游戏
像一张网
永远困住你
为何记忆里 苦涩甜蜜
无法追寻 是笑语泪滴
爱过的痕迹

不再不再 哭泣的游戏
无法继续 哭泣的游戏
