02. TO SEE YOUR EYES

[verse]

Whenever troubles seems coming towards this way

Almighty God, He always shows the right way

And when I fall I know I will be saved

He is the way, planed my life his own way

Sometimes I feel that He is not by my side

I choose to walk by faith not by sight

And in my heart I know that He is there for me,

Watching over me

[chorus]

I know that You have come into my life

Showed me all You goodness I realized

You showered all Your love like no one has

Covered me with, Your blood

I worship and praise You all my life

Lift my hands up high in the sky

Certain that I'll find you everywhere

I would rise to heaven, to see Your eyes!

03. I KNOW

When I am down you are a friend to me

The seasons change but your love remains my heart

I will trust in you, when I am feeling blue

Yes I will trust in you, and cast my cares on you

Though I feel you not, but I know you're there for always

In the darkest night, you light my way, and you'll lead me on

All my hopes and dreams, and my deepest fears

Lord I give to you

It's not just how I feel, cause I know by faith

that you'll see me through is all

See me through

04. DON'T WALK AWAY

Too many questions in my mind
Too many words I can't define
Too many broken hearts and dreams
That it becomes hard to believe

The tiny voice you heard inside
The voice of one who sacrificed
Who for our sins He paid the price
In loving you has been denied

He's been waiting there for you
He's been calling out your name
Through the Universe you're not alone

[chorus]

Don't walk away, today
If you hear, His voice's calling you
Won't you stay, my friend, won't you take His hands
Pierced by the nails, for you, that you may be alive again,
Oh my friend, won't you, take His hands

He feels the sadness and the pain
He sees your crying and the shame
He knows the longing in your heart and the emptiness inside
He's standing now right at your door
He has been there just as before and as He knocks He calls your
name will you be there to do the same?

Won't you listen to the call He will hold you when you fall
through eternity His love remains the same

05. YOU'RE WORTHY (I WILL RISE)

My lord is a worthy Lord
Trusting in His loving grace
Standing in this holy place
He showed me light and is my guide

He takes away all my sins
Turn my life into a new life
Trusting Him I know I'll rise
Before I close my eyes

And I will rise, with You, Jesus Christ
Yes you will guide me through
I'm in your sight
And I will hold your hand
Like a child inside
You're worthy of all praises el-shaddai

06. JESUS TAKE ME AWAY

[verse]

I take all of my dreams
To your safe arms,
Leaving all my despairs
At the cross
You came waiting and
Knock at the door of my heart
Then like a child I held your hands
And gave You a smile
And said

[chorus]

Jesus come and take me away
To your secret place
Make me more like you, each passing day
Jesus come and take me away
To you secret place
Walking with child-like faith
Living in your grace, always

Melody & Lyrics by Alvin Ong

07. CHRIST IS COMING BACK

[verse]

Look at the people around me
Broken hearts, empty lives
The harvest is plenty, the labourers are few
Someone show us what to do

[chorus]

For Christ is coming back again

Day or night, rain or shine
He's coming soon
For Christ is coming back again
Believe it or not, I am telling You
He's coming again

[verse 2]

We are called to evangelise
To spread the Gospel to every nation
So let's awake from our slumber
And stop this act of procrastination

08. HOLD ME CLOSE

There was a time in my life I thought that You were gone
But I was so wrong, You were always there
You were smiling down on me
There was a time in my life I thought that You didn't care
Now I know I'm wrong
You were always there, Your thoughts of love over me

So hold me closely once again, I want to feel Your touch again
I never want to be away from Your arms of love
Let me know Your heart and mind
Feel Your heartbeat like my own
To be Yours and be called Your own
In this life of mine

Lyrics & Music by Timothy Chan & Alvin Ong

L: Timothy Chan & Gary Tan

09. IN THE EYES

I've been searching and wondering
Trying to find a cure
Try to fill emptiness
A void in my universe
Like a fire ranging A tempest in my soul
Waiting, praying, for a ray of hope
Its in the eyes of every person
It's a song on every tongue
A silent prayer for an answer
A desperate longing for a hope
Where we can find our missing pieces
Where our chains break and fall down
Where we can know our purpose
And set the captives free
A friend for this reason died, to give you the
truth the way the light

You can see it its everywhere
You can read it in every book
A world beholding every heartache repeating
in every century
Every man is waiting woman boy and girl de-
spairing aching for that ray of hope

You will know the truth, you can be set free
If the son has set you free you're free indeed

10. I'M FREE

I've always dreamed to be called somebody's own
And then you came and said: "I love you my child"
Knowing that its true, I give my life to you

I am free

Its not just a feeling in me
It took me sometime to believe in your powers
Your deliverance
And now I can be sure, I'm free

11. SUPERHERO

[verse 1]

I've got these problems I can't solve
A pile of work I can't ignore
I need someone to clear this mess for me
I need someone to put this jigsaw back together again

[chorus]

I need You, Jesus
To be my superhero
I need You, Saviour
To mend the broken pieces
I need You, Jesus
From now until forever
I need You

[verse 2]

Lord I don't know how to love
Lord I don't know how to live
I need You love Lord to clear this mess for me
I need You Lord to put this jigsaw back together again
