

Title : Gotta Take A Chance

Composer : Ken Lim (Kenneth T K Lim)

Lyricist : Ken Lim (Kenneth T K Lim)

You gotta take a chance
gotta take a chance on love, oh love
You gotta take a chance
gotta take a chance on love, sweet love
'cause love is so very hard to hold
Take a chance on love
and it may grow

Chorus:
Just follow your heart's direction
Don't stinge on love and affection
Throw off your shams and pretensions
Give in to your heart's direction

You gotta give some time
gotta give some time to love, oh love
You gotta give some time
gotta give some time to love, sweet love
With time you'll know
then you'll be sure
Give some time to love, and watch it grow

Chorus

(Repeat first verse)
