

Title : KEEP ON LOVIN '

Composer : Dixie L.R.Ferdinands

Lyricist : Mel Ferdinands

See the people walkin' on down the street, you see they look so fine,
Love is in the air, love is everywhere,
Whatever you do, you can't live without it,
Just keep on lovin', 'til the sun don't shine.
So keep on lovin', all time.

You see it on the faces of the people you meet, you see it all the time,
C'mon make a start, and give me your heart.
It's easy and you'll just keep on goin',
So keep on lovin,' til the sun don't shine,
Keep on lovin.' all the time,

Oh let me tell you, don't you know it's comin' your way, you know
I've got you baby,
You're everythin' I want, ooh....baby ,
So come on over and get what you need,
I'll give you lovin', like never before, yeah yeah yeah,
You'll love what you get, cause you know,
We'll keep on lovin. ' ooh....,

You see it on the faces of the people you meet, you see it all the time,
C'mon make a start, and give me your heart,
It's easy and you'll just keep on goin',
So keep on lovin,' til the sun don't shine,
Keep on lovin,' all the time,
Keep on lovin,' keep on lovin,'
Keep on lovin,' keep on lovin,'
