

TITLE : Sweeter One

COMPOSER : Ian Low

LYRICIST : Ian Low

Just like a dream
I never wanna wake up from
Oh, sweet one
I wouldn't change a thing

And if I cry
I wish you would hold my hand
Oh, sweet one
If there's anything

I'll try to give to you
For heaven's been kind
To the things I've done

I'll try to make it real
And I know I'll try to be true
To my sweeter one

Just like you say
I know how to make you laugh
Oh, sweet one
You're just like a kid

And if I go
I wish you would come too
Oh, sweet one
If there's anything
