

**Title : Fly Away**

**Composer : VerticalRush**

**Lyricist : Nicholas Chim**

Infectious  
Contagious  
Outrageous  
That's you

Throw me off the edge  
Of my seat  
Fly away  
With me

Fly away now  
Away now

In you, I find me  
In you, I'm complete  
In you that's where I want to be
