

Title : One Voice!!!

Composer : 黄烈传

Lyricist : 黄烈传

大家别开口 我有话要说
I'm gonna tell you what I have in store

Radio 的音乐 播的是什么
你是否厌倦 是否听得太多

Oh well then I've got something
I've got something for you
准备好好听一听 coz you can do it too

Just one voice
可以唱出多种旋律
Just one voice
可以唱不同的 groove
Just one voice
可以唱出多重 drumbeat
(可以唱出心的 drumbeat)
I'll do it for you 让你听得清楚
(我可以重复让你听得清楚)

RAP (饶舌):
Everything that you hear
From the tune to the beat
You think it's played by my hands
And it's played by my feet

You think this song is just like any other
Just run of the mill sounding pop culture
But hear me now you gotta listen well
Coz in the end pretty soon you can tell

That everything an instrument can do
With one voice I can do it too
